ABOUT ME

I am a dynamic, curious, and highly motivated individual with a strong passion for continuous learning and growth. I thrive in collaborative environments, embrace challenges with enthusiasm, and consistently strive to deliver my best. My objective is to keep evolving both personally and professionally, while making a meaningful impact on every project I contribute to.

EDUCATION

Baccalaureate 2021 – 2022

Baccalaureate in physical science.

Institute (ISGI M) 2023 – 2024

1st year specialized technician in digital development at ISGI Marrakech (OFPPT).

Institut (ISGI M) 2024- 2025

2nd year specialized technician in digital development, Full Stack Web option at ISGI Marrakech (OFPPT).

WORK EXPERIENCE

Intern Web Developer March 2025 – April 2025
PULSE.digital – Marrakech, Morocco

Worked on the development of a Password Vault web application using React, Laravel, and RESTful APIs. Gained hands-on experience in full-stack web development, collaborating with a team to implement secure authentication features and dynamic UI components. Strengthened skills in modern frameworks, API integration, and version control.

Leader sport May 2025 – August 2025
Decathlon Targa– Marrakech, Morocco

Worked part-time at Decathlon in the Water Sports and Cycling departments, providing expert customer support and product advice in line with the brand's values. Assisted with merchandising, inventory organization, and daily store operations. Strengthened teamwork, sales, and communication skills in a fast-paced retail environment.

CERTIFICATES
